

What's Unspoken?:

Determining the Implicit and Explicit meanings of your text.

#1: Explicit Information:

What was actually said? (Write the exact quote)

Implicit Information

What does this quote imply? (What else can you guess based on the quote itself?)

How do you know? (What clues did you get from the text?)

#2: Explicit Information:

What was actually said? (Write the exact quote)

Implicit Information

What does this quote imply? (What else can you guess based on the quote itself?)

How do you know? (What clues did you get from the text?)
